Re: Burke Lake Access Redevelopment, File: 20-001

Dear Lisa Wood:

Thank you for the opportunity to comment on the Determination of Nonsignificance regarding the proposal to renovate the Burke Lake Access (Proponent: WA Department of Fish and Wildlife). After reviewing the documents, the Department of Ecology (Ecology) submits the following comments:

Water Quality Program-Shannon Adams (509) 329-3610

If the project exceeds soil disturbing of one-acre above the Ordinary High Water Mark, Ecology will require a Construction Stormwater General Permit.

For more information or technical assistance in obtaining a Construction Stormwater General Permit, please contact Shannon Adams at (509) 329-3610 or via email at Shannon.Adams@ecy.wa.gov.

State Environmental Policy Act (SEPA)

Ecology bases comments upon information submitted for review. As such, comments made do not constitute an exhaustive list of the various authorizations you may need to obtain, nor legal requirements you may need to fulfill in order to carry out the proposed action. Applicants should remain in touch with their Local Responsible Officials or Planners for additional guidance.

To receive more guidance on or to respond to the comments made by Ecology, please contact the appropriate staff listed above at the phone number or email provided.
